SEO AND KEYWORD RESEARCH

1. What is SEO? Explain On-Page and Off-Page SEO.

Answer:

SEO (Search Engine Optimization) is the process of improving a website so that it appears higher in search engine results and gets more organic (unpaid) traffic.

- On-Page SEO: Activities done inside the website, such as optimizing keywords, title tags, meta descriptions, headings, content, images, and URLs.
- Off-Page SEO: Activities done outside the website, mainly building backlinks, social mentions, and improving the website's online reputation.

2. Define keywords. What is the difference between short-tail & long-tail keywords?

Answer:

Keywords are the words or phrases that users type into search engines to find information, products, or services.

Short-Tail Keywords	Long-Tail Keywords
Usually 1–3 words	Usually 3+ words
Broad meaning	More specific
High search volume	Lower search volume
High competition	Usually lower competition

3. What is Crawling, Indexing & Ranking?

Answer:

- **Crawling:** Search engine bots visit and discover webpages and their content.
- **Indexing:** Search engines analyze and store useful webpages in their database (index).
- **Ranking:** Search engines decide the order in which webpages appear in search results for a particular search query.

Crawling → Indexing → Ranking

4. What is a SERP? Mention any 3 SERP features.

Answer:

SERP stands for Search Engine Results Page. It is the page displayed by a search engine after a user enters a search query.

Any 3 SERP features:

1. Featured Snippet
2. People Also Ask (PAA)
3. Knowledge Panel

5. What is Domain Authority?

Answer:

Domain Authority (DA) is a score developed by Moz that predicts how likely a website is to rank in search engine results compared with other websites.

Practical Task

Task 1: Keyword Research

- Select any one topic/business: Travel Agency / Bakery / Mobile Store / Fitness Coach
- Find 10 primary keywords and 10 long-tail keywords.
- List search volume & keyword difficulty (use tools like OnlySocial.io / UberSuggest / Keyword Planner).

BAKERY		
Primary Keyword	Search Volume	Keyword Difficulty
bakery	201	62
Bakery near by me	550	37
custom cakes	18.1k	53

Task 2: On-Page SEO

Choose any one page or create a sample web page and write:

- Title Tag
- Meta Description
- H1 Tag
- 3 Sub-headings (H2/H3)
- Image Alt Tags
- URL Structure
- Internal & External Linking Plan
